All,

Attached please find a cover document that briefly outlines the agency modeling that was recently conducted, and a PPT that presents some of the output from the exercise.

Maria will walk us through the PPT tomorrow, but we wanted you all to have copies, including those that may be joining by phone.

I've also attached a copy of the agenda for easy reference. For those calling in, the call-in number is listed on the agenda.

Thanks,

Bruce

Bruce DiGennaro
